ACCOUNT STATUS

Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a \$25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

Some products require electronic billing as their official bill media. When electronic billing is the official bill media, an informational statement may be sent containing some of the same information as the electronic bill. The informational statement is not your bill. However, if you choose to mail your payment instead of paying electronically, the informational statement has a tear-off that can be used to submit your payment.
